Acorus					
gramineus 'Hakuro-nishiki' A new introduction from Japan with a very dwarf habit and golden fans of grassy foliage. A sweet little alpine. 20cm.	9cm Liner (D)	£0.75	£0.77	£0.83	£0.95
gramineus 'Ogon' A stunning yellow and green variegated plant, with long grass-like blades arranged in fans. Prefers moist soils, but will thrive in any fertile garden soil. Evergreen.	9cm Liner (D) *	£0.75	£0.77	£0.83	£0.95
Alopecurus					
alpinus glaucus (New Item) "Blue Foxtail Grass". An intense, blue-leaved grass, which slowly spreads to form dense clumps. Height 30cm. Spread 45cm.	9cm Liner (D)	£0.70	£0.72	£0.78	£0.90
pratensis 'Aureovariegatus' One of the brightest and showiest of the ornamental grasses. The leaf blades have broad golden margins. 30-45cm.	9cm Liner (D)	£0.66	£0.68	£0.73	£0.84
Andropogon					
scoparius (New Item) "Little Bluestem". One of the larger grasses, native to the North American prairies. An upright growing plant to 60-90cm with fine blue-grey foliage. Spectacular autumn and winter colours range from tan to copper-orange and even dark orange-red. A drought-tolerant species.	9cm Liner (S)	£0.66	£0.68	£0.73	£0.84
Arrhenatherum					
elatius bulbosum 'Variegatum' This ornamental grass has a bulbous crown from which the variegated leaf blades appear. Very attractive, erect, white striated foliage to 45cm.	9cm Liner (D)	£0.75	£0.77	£0.83	£0.95
Bouteloua					
gracilis The fine textured foliage is a light grey-green and makes dense mounds about 15cm tall, with the flowers rising some 30cm above the foliage. These are produced in summer and are silvery-grey turning purple. The whole plant turns purplish in autumn.	9cm Liner (S)	£0.70	£0.72	£0.78	£0.90
Briza					
media The 'quaking grass' is grown for its open heads of triangular spikelets which tremble in the breeze. Good for drying. 45cm.	9cm Liner (S)	£0.66	£0.68	£0.73	£0.84
media 'Russells' (New Item) A perennial semi-evergreen ornamental grass with marginal silver-white variegated foliage throughout the season giving the plant a silver appearance. From mid-May, panicles of loosely arranged pendulous and locket-shaped flowers appear. These flowers wave gracefully in the breeze with a gentle and characteristic rattle, starting green and turning to a rich gold into autumn. The flowers are much prized for flower arrangements. This totally hardy variety has lasting appeal. European Plant Variety Rights are applied for. The UPOV denomination is EU2003/2353. Price includes royalty.	9cm Liner (D) *	£0.88	£0.91	£0.98	£1.13
Calamagrostis					
acutiflora 'Overdam' Variegated Feather Reed Grass. Foliage is longitudinally cream-white striped. Flowers upright, loosely feathered and up to 100cm in height. A lovely, long-lived, clump-forming grass with very attractive foliage and flowers.	9cm Liner (D)	£0.79	£0.81	£0.88	£1.01

Calamagrostis					
brachytricha					
"Korean Feather Reed Grass". A lovely tall flowering grass introduced in recent years from Korea, with dark green glossy arching foliage. The tall, erect, feathery flowers, which appear in September, have a strong red tint, fading to silver-grey. The flowers remain feathery, even when dry. A lovely border plant on its own or planted to great effect in large drifts. Great for cutting. Flowers to 120 cm.					
	9cm Liner (S)	£0.66	£0.68	£0.73	£0.84
Carex					
'Chatham Blue'					
Carex chathamica. A new introduction from the Chatham Islands of New Zealand. A large clump-forming perennial sedge with broad blue-green leaf blades to 60cm. The broad flower spikes are also an attractive feature. Evergreen.					
	9cm Liner (S)	£0.66	£0.68	£0.73	£0.84
'Frosted Curls'					
The narrow, arching blades with unusual curling tips are silvery-green in colour. Forms clumps for foliar effect. 40cm.					
	9cm Liner (S)	£0.70	£0.72	£0.78	£0.90
'Ice Dance'					
Strong, cream-white, marginal variegation to the broad erect leaf blades. Rhizomatous and carpet-forming. Knits together but not invasive. Similar general appearance to some of the better forms of Carex morrowii 'Variegata', but with a stronger constitution.					
	9cm Liner (D)	£0.75	£0.77	£0.83	£0.95
'Silver Sceptre'					
A newly introduced variety with rigid semi-evergreen white variegated sword-like leaves and an attractive clump-forming habit. 30-45cm.					
	9cm Liner (D)	£0.70	£0.72	£0.78	£0.90
brunnea "Variegata" (New Item)					
An elegant variety. Slender grass with deep green leaves with golden edges. 30cm.					
	9cm Liner (D)	£0.66	£0.68	£0.73	£0.84
buchananii					
A very attractive sedge with upright plumes of narrow reddish-brown leaves, which form a vase shape with curls at the tips. Forms a neat clump. Height 60cm.					
	9cm Liner (S)	£0.70	£0.72	£0.78	£0.90
comans 'Brown Form'					
A more compact sedge with pale orangey-brown foliage and pendulous habit. Height 30cm.					
	9cm Liner (S)	£0.66	£0.68	£0.73	£0.84
dipsacea 'Dark Horse' (New Item)					
A new selection made on the nursery in 2001. The leaves starting a shiny bronze and developing into arching tufts of a good olive-green with a pink-red tinge, especially later in the season. Unlike most New Zealand sedges, this one has attractive small black spiky inflorescences, and subsequent seed heads not unlike black beetles. Height and Spread 45cm.					
	9cm Liner (S)	£0.70	£0.72	£0.78	£0.90
flagellifera 'Auburn Cascade'					
Selected on our nurseries for its fountain-like habit and ginger colour. An evergreen sedge native to New Zealand with weeping habit and broad leaf. A very easy plant to cultivate and superb grown as a specimen container plant. Height to 50cm.					
	9cm Liner (D)	£0.70	£0.72	£0.78	£0.90
grayi (New Item)

Carex					
pendula An excellent evergreen sedge with long curving stems which end in graceful flower heads. Good in any aspect.	9cm Liner (S)	£0.66	£0.68	£0.73	£0.84
riparia 'Variegata' (New Item) Tall growing variety for damp soils or pond margins with striking white springtime variegation, turning more yellow-green in the summer. Height to 90cm.	9cm Liner (D)	£0.70	£0.72	£0.78	£0.90
secta tenuiculmis One of the best of the bunch for a longer term effect. Light coppery brown fine foliage, turning shades of red and amber in the autumn, with an arching open habit. Height 45cm. Spread 1m.	9cm Liner (S)	£0.79	£0.81	£0.88	£1.01
testacea 'Old Gold' Also known as Carex testacea. Forms a dense clump of bright orange foliage. Easy to grow and not invasive. A most attractive plant, reaching 50cm.	9cm Liner (D)	£0.66	£0.68	£0.73	£0.84
Chasmanthium					
latifolium A tall elegant grass with fresh green bamboo-like foliage with drooping flower/seed panicles which are useful for cutting. The spikelets, light green at first, turn red-bronze in autumn and finally light salmon-buff, remaining attractive during the winter. 60-75cm.	9cm Liner (S)	£0.70	£0.72	£0.78	£0.90
Cortaderia					
richardii (toetoe) This Pampas grass from New Zealand has the advantage of flowering 6-8 weeks earlier than C. selloana varieties. 2m.	9cm Liner (S)	£0.70	£0.72	£0.78	£0.90
Corynephorus					
canescens 'Spiky Blue' A small ornamental grass with very fine, silvery-blue, hair-like foliage. 25cm.	9cm Liner (S)	£0.66	£0.68	£0.73	£0.84
Elymus					
'Blue Sword' Elymus magellanicus. The Blue Wheatgrass. Its unrivalled, intense, brilliant steel-blue leaves make this clump-forming plant really stand out. Prefers well-drained conditions in full sun and will tolerate poor soils. Excellent as a container plant.	9cm Liner (D)	£0.84	£0.86	£0.93	£1.07
Eragrostis					
curvula (New Item) A very nice, densely clumping grass from South Africa. Dark green with finely textured, almost hair-like foliage and 60-75 cm stems tipped by purple-black flower clusters that move with the slightest breeze. Fabulous autumn colours follow the first frosts.	9cm Liner (S)	£0.70	£0.72	£0.78	£0.90
elliottii (New Item) 'Blue Love Grass' A superb ornamental grass which makes a 60-90cm wide clump of narrow, powder-blue foliage. In early May, the airy but sturdy plumes arise to 90cm, opening like a giant tan cloud. In October, the plumes remain as nice as when they first opened.	9cm Liner (S)	£0.79	£0.81	£0.88	£1.01
spectabilis (New Item) Purple Love Grass. Fluffy clouds of bronze-red inflorescences are soft and subtle in the sunlight. Light green foliage in summer turning to a bronzy-red in autumn. Irresistible texture plant for the late summer garden.	9cm Liner (S)	£0.75	£0.77	£0.83	£0.95

Erianthus					
ravennae A very neglected species, and every bit as good as some Pampas or Miscanthus varieties. Good autumn colour. 1.2m.	9cm Liner (S)	£0.66	£0.68	£0.73	£0.84
Festuca					
glauca 'Azurit' An outstanding grey-blue, almost silver evergreen grass. Height 15cm.	9cm Liner (D)	£0.66	£0.68	£0.73	£0.84
glauca 'Elijah Blue' Exceptional blue-bladed dwarf grass with hair-like foliage. 40-45cm.	9cm Liner (D)	£0.66	£0.68	£0.73	£0.84
glauca 'Uchte' This form is taller than all the other "Blue Fescues" that I have seen, with a more upright habit. At least as good in colour as 'Elijah Blue'.	9cm Liner (D)	£0.66	£0.68	£0.73	£0.84
Juncus					
'Curly Wurly' Juncus filiformis Spiralis. Intriguingly coiled spring of dark green makes this 'Rush' unique and very appealing. Semi-evergreen. Height 20cm.	9cm Liner (D)	£0.84	£0.86	£0.93	£1.07
inflexus 'Afro' (New Item) Unlike the small corkscrew rush, this was virtually a corkscrew rush on steroids...with dusty blue foliage! Grows to 45cm.	9cm Liner (C)	£0.70	£0.72	£0.78	£0.90
Koeleria					
glauca A lovely neat clump-forming grass, with narrow blue leaves. 25cm.	9cm Liner (S)	£0.70	£0.72	£0.78	£0.90
Luzula					
nivea A good plant, tolerant of sun or dry shade. The leaves have an attractive hairy appearance with white flower spikes.	9cm Liner (S)	£0.66	£0.68	£0.73	£0.84
Milium					
effusum 'Aureum' Everything about this plant is bright yellow. It has lovely light, airy flowerheads. Brightens many a dark corner. 30-45cm.	9cm Liner (S)	£0.70	£0.72	£0.78	£0.90
Miscanthus					
transmorrissonensis A tall elegant grass with fresh green foliage and erect panicles of cream-coloured flowers. Useful for cutting.	9cm Liner (D)	£0.75	£0.77	£0.83	£0.95
Molinia					
caerulea 'Variegata' Dense tufts of narrow arching leaves striped with cream. The flowers dry well for all winter interest. 30-45cm.	9cm Liner (D)	£0.70	£0.72	£0.78	£0.90
Ophiopogon					
planiscapus This is the green form, uncommon, but very worthwhile, adaptable for sun or shade. Creeps slowly. Evergreen 15cm.	9cm Liner (D)	£0.66	£0.68	£0.73	£0.84
planiscapus "Nigrescens" Most unusual plant, almost black foliage and black berries, adaptable for sun or shade. Creeps slowly. 15cm.	9cm Liner (M)	£1.02	£1.05	£1.13	£1.30

Pennisetum					
<i>macrourum</i> (New Item)					
<i>A lovely grass, forming evergreen clumps of grey-green leaves up to 60cm high. Very long racemes are produced which look like pipe cleaners, on stems up to 1.8m in length. These start off a pale white and gradually turn to a yellow straw colour. E.A Bowles is said to have described it as looking "like a hybrid between a Siamese cat's tail and a pipe cleaner"</i>					
	9cm Liner (S)	£0.75	£0.77	£0.83	£0.95
orientale					
A densely clump forming fountain grass with bluish leaves, silky pink bottle brush flower head from June lasting to October. For a sunny position in well drained soil. 45cm - 60cm.					
	9cm Liner (S)	£0.66	£0.68	£0.73	£0.84
orientale robusta 'Tall Tails'					
Very similar to Pennisetum orientale with the same bottle-brush type flowers, but blades slightly more blue and much more robust and upright.					
	9cm Liner (S)	£0.79	£0.81	£0.88	£1.01
villosum					
Most attractive when the ivory-coloured bottle-brush flowers appear on arching stems. The flowers age to a shining silver, and last well into autumn. An outstanding clump forming, flowering grass. 50cm.					
	9cm Liner (S)	£0.66	£0.68	£0.73	£0.84
Phalaris					
arundinacea 'Feesey'					
This form is much more striking than 'Picta' with more white in the leaf blades and a less vigorous habit. Excellent. 50cm.					
	9cm Liner (D)	£0.70	£0.72	£0.78	£0.90
Stipa					
arundinacea					
(Anemanthele lessoniana) The pheasant grass. This very beautiful evergreen grass is grown for its loose clumps of shiny leaves. Through the summer they develop a rich orange and red coloration which is especially striking during the winter. Performs best in sun. Height 60cm.					
	9cm Liner (S)	£0.75	£0.77	£0.83	£0.95
lessingiana (New Item)					
<i>Grass forming a swaying clump of very fine green leaves, topped by silky creamy-beige flowers from June onwards. 70 x 40 cm. A very desirable ornamental grass.</i>					
	9cm Liner (S)	£0.70	£0.72	£0.78	£0.90
tenuissima 'Pony Tails'					
Bunched basal stems splay out like feathery bristles from a shaving brush. Flowers are narrow. The open, airy panicles start out jade green and soon turn to beige. Flowers from late spring to first frost. 45-60cm.					
	9cm Liner (S)	£0.66	£0.68	£0.73	£0.84
tenuissima oreophila Wind Whispers (New Item)					
<i>If you love the wispy and graceful foliage of Mexican Feather Grass, Stipa 'Wind Whispers' (Stipa tenuissima oreophila 'Wind Whispers') has even more elegant foliage, though quite a bit taller. This 90cm high, drought tolerant grass makes a terrific container plant. It prefers well drained to dry soil in full sun.</i>					
	9cm Liner (C)	£0.66	£0.68	£0.73	£0.84
Uncinia					
egmontiana					
	9cm Liner (S)	£0.84	£0.86	£0.93	£1.07
unciniata rubra					
An attractive sedge with striking red foliage and 20cm spikes of white flower. Forms clumps of leaves up to 40cm.					
	9cm Liner (S)	£0.84	£0.86	£0.93	£1.07

(01-01-2008 This list cancels all previous Terms and Conditions)

I. General

- A. The sale and these terms and conditions shall be governed by and be construed in accordance with English law.
- B. In these terms and conditions, "Fromefield" means Fromefield Nurseries Limited, of Church Lane, Awbridge, Romsey, Hampshire. "Customer" means any company, person or firm with whom Fromefield are contracting the sale of items set out in this list.
- C. This list cancels all previous lists and its contents apply to the exclusion of any terms contained in any document originating from the Customer.
- D. All items in the list are offered subject to availability. Confirmation of orders does not constitute guarantee of delivery. When Fromefield have accepted an order, the items referred to will be supplied by Fromefield subject to satisfactory plant growth and to these terms and conditions of sale.
- E. The placing of an order constitutes acceptance of these terms and conditions.
- F. New Customers will be requested to complete a credit application.

II. Price and Payment.

- A. Prices quoted in the list are ex-Nursery and exclusive of FRA. Fromefield is not VAT registered. Please see details under the 'Flat Rate Farming Certificate' in the main catalogue.
- B. If a Customer requests delivery, then the cost of delivery will be added to the invoice.
- C. The invoice price must be paid within 30 days of the invoice date. If not paid within this time, then Fromefield reserve the right to charge interest on overdue accounts from the date when payment becomes due, until the date when payment is made, at a rate of 2% per 30 days.
- D. Credit Invoices when received from Fromefield and may be factored through Lloyds TSB Commercial Finance Ltd. All cheques and payments issued thereof should be made payable to Lloyds TSB Commercial Finance Ltd. who will issue a statement of account. The payment address is marked on the invoice or statement.
- E. Fromefield reserve the right to alter the price quoted in the list. The price payable is the price quoted in the invoice.
- F. Fromefield reserve the right to withhold deliveries to a Customer who has failed to pay any invoice or part of an invoice within 30 days.

III. Orders and Deliveries.

- A. Plants are supplied in 9cm pots as indicated in the specification. They are contained in trays of 20. Orders are accepted in multiples of 20. Orders for less than 20 per variety are surcharged by 15%.
- B. There is no minimum quantity for orders collected from the nursery. If you request delivery, the total minimum is 600 plants to qualify for our subsidised delivery tariff rates (See Main Catalogue or Web Site). Deliveries requested for less than 600 plants are made at cost and there is a minimum charge of £10 for any delivery. Single orders over £1000 in value will be delivered FOC to mainland England destinations.
- C. All orders will be confirmed in writing within 14 days. We should be able to advise at this time the approximate cost of delivery and an estimated delivery month. All orders are logged on receipt and are processed in order of receipt.
- D. Orders are accepted from stock and will be delivered as available. Orders from stock for spring delivery i.e. March / April will only be accepted at Fromefield's discretion and are usually not accepted at all until the beginning of October each year. These orders may incur a 5 % overwintering surcharge at the management's discretion. Advance contract orders for spring delivery are welcomed, but in order to plan the production and assure delivery please place orders prior to the end of April the previous year.
- E. We can deliver orders with relative ease throughout mainland UK and with little fuss to offshore British Isles. Deliveries are made, wherever possible using our own transport or contract delivery agents (see delivery tariff map in main catalogue). Where we cannot use this service, we use various Parcel Carriers especially with smaller orders. Deliveries outside mainland UK will be delivered at cost. Orders are usually delivered in trays upright, or in the case of those sent by carrier, packed loose in cardboard cartons.

IV. Discounts

Prices are discounted according to the quantity of each item ordered as per the Price Bands indicated in the Catalogue and Availability Lists.

- 10%** **Payment discount** for orders collected, and paid for on collection.
- 2.5%** **Collection discount** for all orders collected (subject to status and our standard terms of payment).
